Track B
まどマギ☆パニック

Presented by Colonel_AKI

What?
We're
starting
already?!

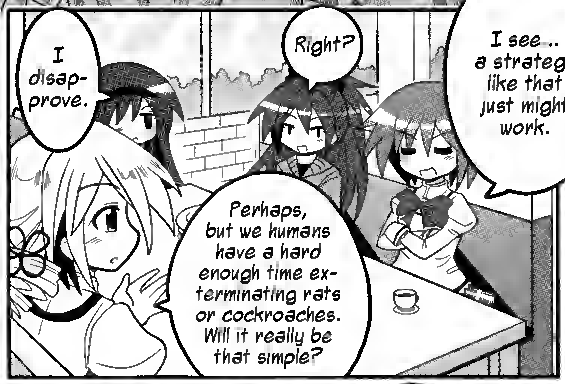
Another Track

Magical Girls' Counter Attack

I hereby call to order
our first magical girl conference.
Our topic for this evening is
[How do we stop Kyubey's plans?]
It's simple.
We should just exterminate them all.
We'll just publicly expose how dangerous he is,
NEWS
CNN
put a bounty on his head,
pull together a special resistance army...

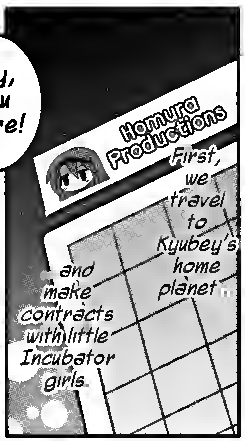
We'll annihilate them all!!
And with the combined power of all mankind,

Whether or not that strategy would work, such methods are simply too cruel.
Magical girls are supposed to be heroes, are they not?



I disapprove.
Right?
I see... a strategy like that just might work.
Perhaps, but we humans have a hard enough time exterminating rats or cockroaches. Will it really be that simple?

Are you interested in becoming a magical girl mascot character? You'll never find a contract with terms this favorable!
Hey, you there!
What?



Homura Productions
First, we travel to Kyubey's home planet
and make contracts with little Incubator girls.

Okay then, how would you do it?
In my opinion, we should say, "an eye for an eye, a tooth for a tooth," and deceive them just as they did us.

You tricked me!!
This is nothing like what you said it would be!
The terms of the contract are clearly written. If you'd read it carefully you would have known
Let me tell you something
You're a fool...
...for being tricked.
How cruel! That's too much!
How is that heroic?!
What? But no one gets hurt, so isn't it a good strategy?
That's heart-breaking!
I say we fight after all, just like Kyouko says!
We do things fair and square, like proper heroes!

ULTI-MATE FORM!
We'll carve out our own future!
Your methods won't save anything!
With the power of a maiden's love!
WHY DO I GET THE TINY PANEL?!
WAIT--
WHY DO YOU OPPOSE US?!
WE ARE TRYING TO SAVE THE UNIVERSE!
Then, we'll travel to Kyubey's home planet in a giant space battleship,
...and put an end to all the fighting in one decisive strike!
and form the anti-Kyubey group "Team Dai-Madoka."
We'll gather together magical girl comrades from across the world,
TENGEN TOPPA MADOKA
END

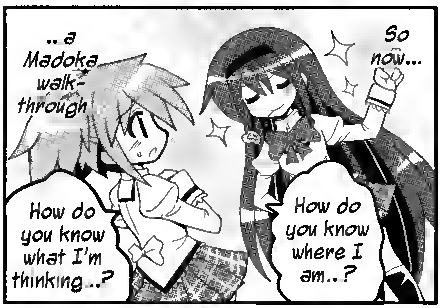
It became a heated argument ...
Don't fight...
G-Guys...
YOU WANNA FIGHT?!
HUH?!
HEY, YOU WERE THE ONE THAT WAS TALKING ABOUT GOING TO KYUBEY'S PLANET IN THE FIRST PLACE!
YOU GOT THAT RIGHT! "GIANT SPACE BATTLESHIP"? HOW STUPID IS THAT?!
WHAT THE HELL ARE YOU TALKING ABOUT?! THAT'S COMPLETELY ABSURD! HAVE YOU BEEN WATCHING TOO MUCH ANIME, OR WHAT?!
Hm?
Well, you're next, Madoka.
What would you do?
Let's see...
If it were up to me...
Tell mommy and daddy!
Danger!
Kyubey
If you see Kyubey, what should you do?
Then in schools and kindergartens, I would make sure they were given thorough anti-Kyubey training!
Never make a contract!
Run straight away!
I would make a picture book about Kyubey's misdeeds to warn children about his dangerousness.
At the same time, I would sufficiently inform every home, creating an environment that protects the children.
The Evil Kyubey and the Three Children

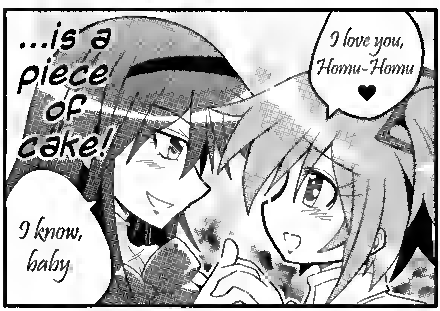
Ah, my angel!
Stop, you're embarrassing me...
Ehehehh...
That's it! Truly a strategy befitting of a hero! Plus, it's completely practical!
Way to go! That's our Madoka!
If we do that, then nobody will talk to Kyubey, and he'll eventually give up and leave this planet.
I'm going back to my home in the countryside!...
No one will contract with me...
Kaname-san's idea isn't bad,
...but there's a much more efficient way to go about this. First, we--
You've put some thought into this, haven't you, Kaname-san?
All right, I'm next!
Everyone...
What about my turn..?
There really wasn't much of a point to this, huh?
Well, we should start heading back
WHA?!
What should we discuss next time?
Thank you for treating us, Mami-san!

I'm left holding the bill again...

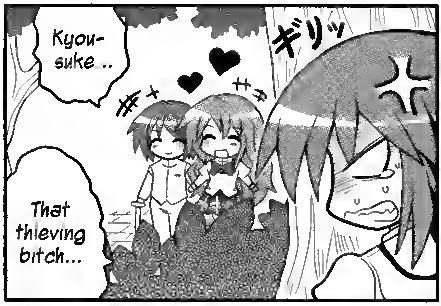
Sakura-san, how much did you eat this time?

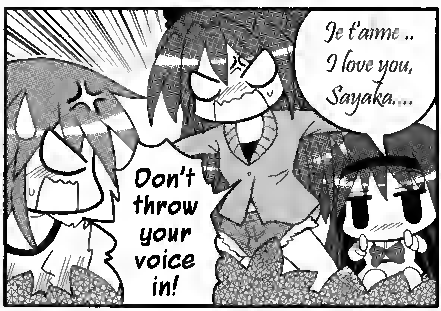
THE WORLD GOD ONLY KNOWS



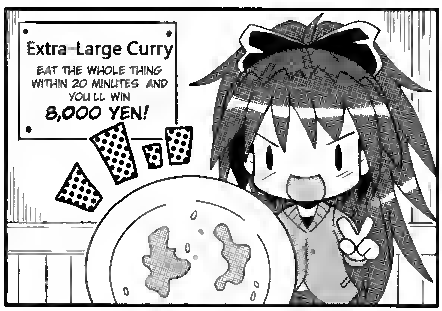


JEALOUSY

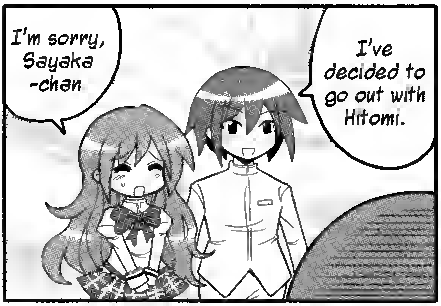


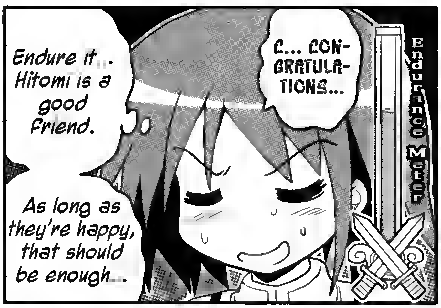


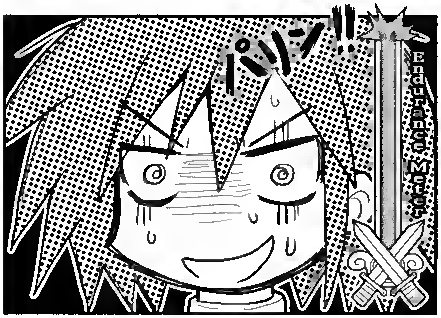
SOURCE OF INCOME



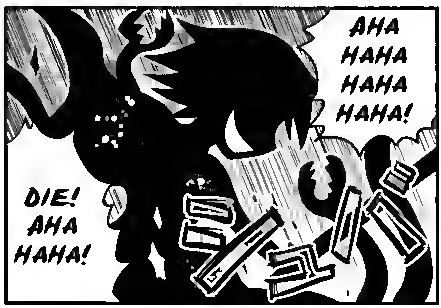
ENDURANCE



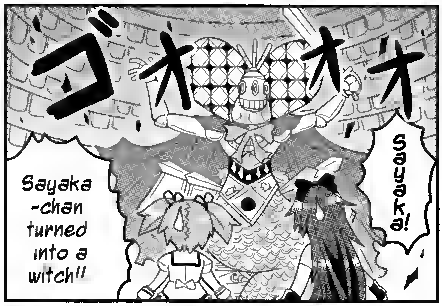




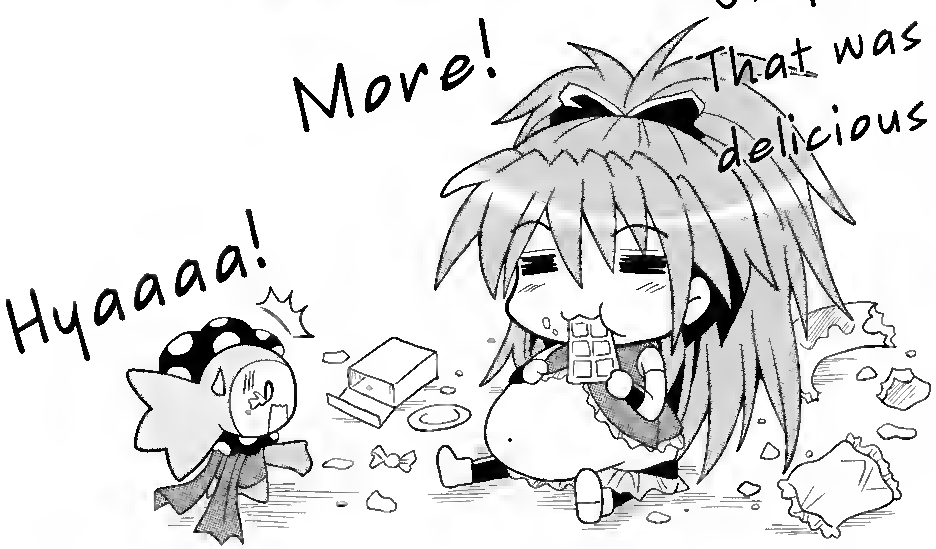
SHADOW



CALL OUT TO HER



KYOUKO vs. Charlotte



THE _____ WHO LEAPT THROUGH TIME

Akemi Homura... You're not from this time axis, are you?

That's right. In order to protect Madoka, I have relived this past month...

15,498 times.

That's way too many! No wonder you're so messed up in the head!

What is this, Endless Eight?!

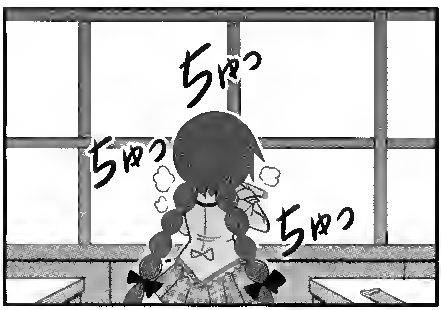
I've never been able to see things through to their conclusion.

However, in all the times I've come back,

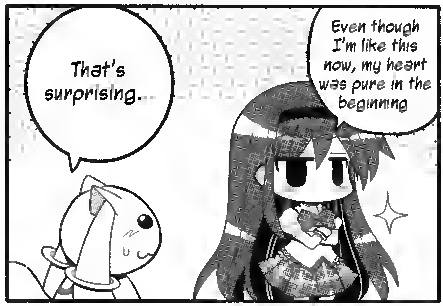
Enough! Stop already!!

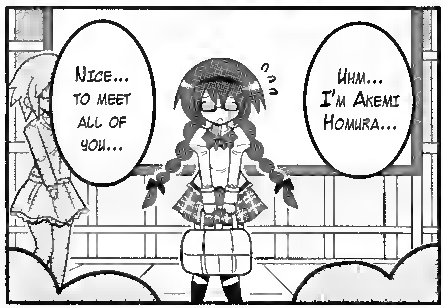
In about 10,000 loops, I've only stalked Madoka from afar. I've managed to embrace her in 1,421 loops. I've come close to kissing her in 813 loops, but I've only managed to actually do so in about 10. As for the number of times I've pushed her to the ground...

PURE-HEARTED(?!) HOMURA-CHAN II



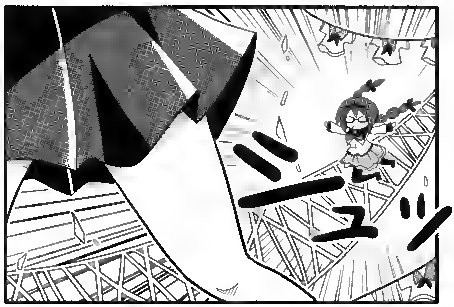
PURE-HEARTED(?!) HOMURA-CHAN

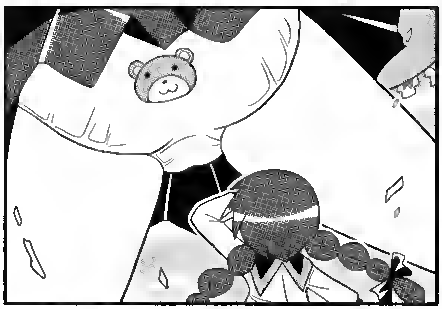


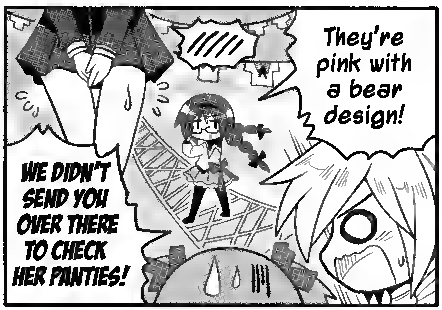


PATRICIA-SAN II

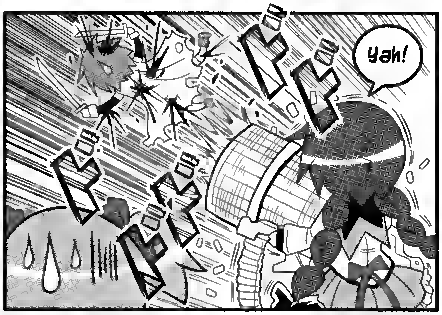
PATRICIA-SAN

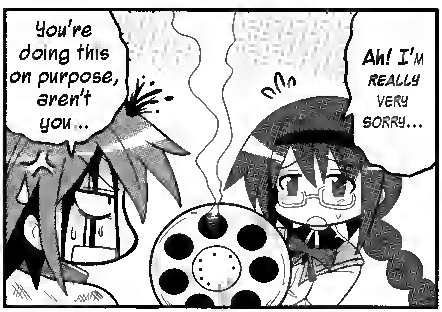




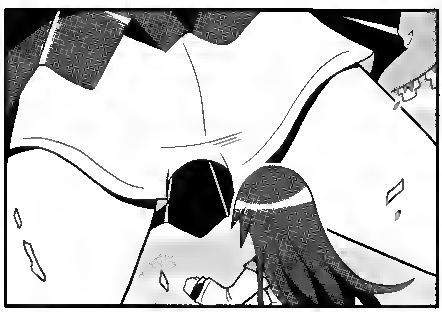


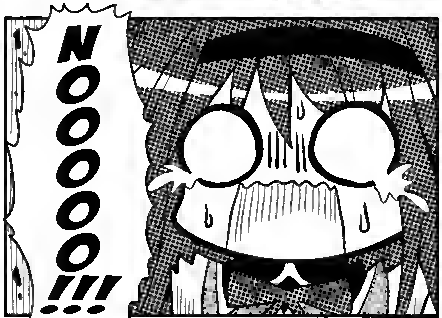
OTHER WEAPONS





PATRICIA-SAN III

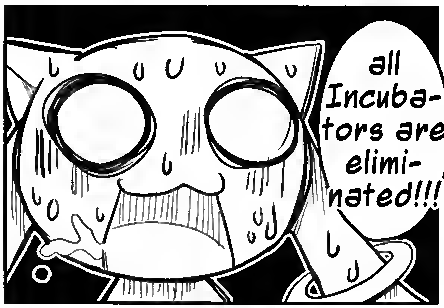


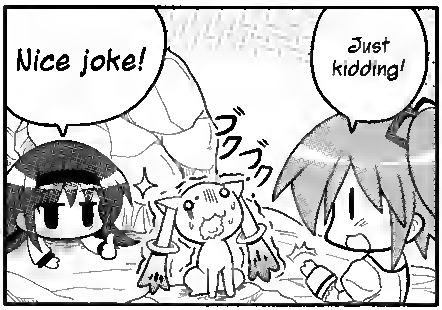


I'll steal
all of
your
highlight
scenes!

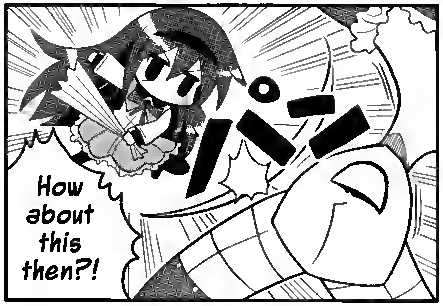
WALPURGISNACHT
Why the heck?!
The futon flew away!
No, I don't think that's the take-away here...
Yugh... She'll laugh at just about anything

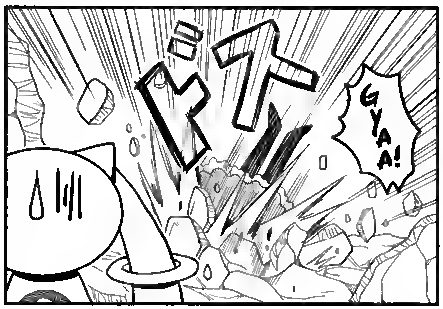
WISH

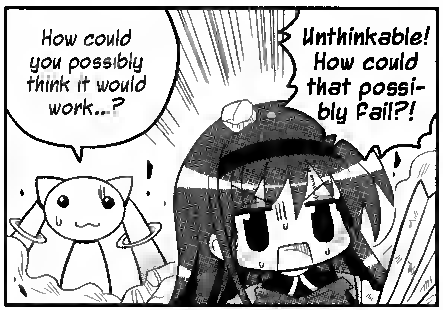




WALPURGISNACHT II







MIRACLE

...your wishes end in despair!
I won't let...

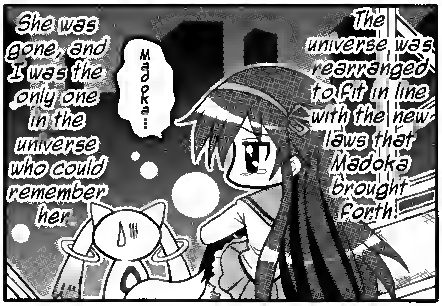
...will curse or hurt others.
None of you...

...the fate of you all.
I will bear...

I will always be with you, Madoka.
WHY ARE YOU FOLLOWING ME, HOMURA-CHAN?
WAIT !!

SHE FELL INTO DESPAIR...

AFTER THAT...

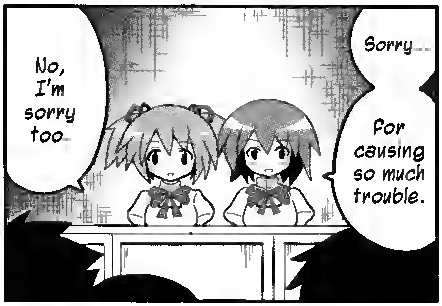


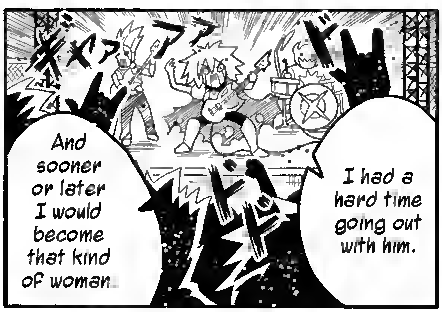
She was gone, and I was the only one in the universe who could remember her
Madoka...
The universe was rearranged to fit in line with the new laws that Madoka brought forth.

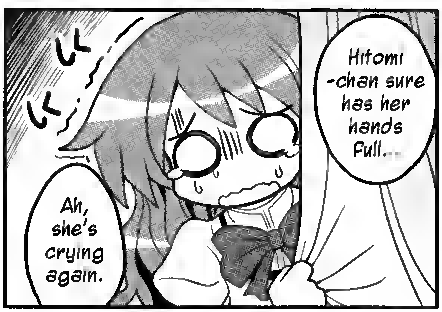
Acting as her prophet, I worked hard to spread her faith.
Believe in Madoka
Eventually, I founded Madokaism in order to spread the word of Madoka's sacrifice.

To this day, the gigantic nude statue of Goddess Madoka continues to draw the passionate faith of believers everywhere.
As our order grew and flourished, she remained our symbol.

SEEING OFF







- Don't forget.
Always, somewhere,
someone is fighting for you.
- As long as you remember her,
you are not alone.

Only My Madoka

あとがき

こんにちは、タイのAKIです。
最後まで読んでくださってありがとうございます。
このまどかの同人誌は、描きながらニヤニヤするぐらい楽しんで作ることができました♪
もっとも、楽しめたのはそのままのペースでは〆切に間に合わないと知る前までしたが……

皆さんもご存じかもしれませんが、今年のタイの洪水はとてもひどいものでした。
わたしにとっても、今まで経験した中で一番大きな洪水でしたが、幸い十分に準備を済ませていたので大きな被害には至りませんでした。

最近こちらでは、急に気温が低くなってきました。わたしにとってはやっかいな季節です。気温が低いと、手がうまく動かなくて絵を描きにくくなるんですよね。それに体がだるくなって、ベッドから離れたくなくなりもします。
まさに仕事の大敵。気をつけたいモノです。
それではまた、次の作品でお会いしましょう。
